

Michael Bublé - The Way You Look Tonight

Tom: D

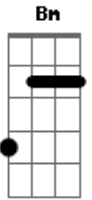

D Bm Em A7
 Some day, when I'm awfully low,
 Gbm Bm
 When the world is cold,
 G G Em A7 D Bm
 I will feel a glow just thinking of you...
 Em G A7 D Bb Em A7
 And the way you look tonight.
 A7 D Bm Em A7
 You're lovely, with your smile so warm
 Gbm Bm
 And your cheeks so soft,
 G G Em A7 D Bm
 There is nothing for me but to love you,
 Em G A7 D Gdim D
 And the way you look tonight.
 Bridge:

Dm D Em A7
 With each word your tenderness grows,
 Dm D G - A7
 Tearing my fear apart;
 Dm D Em A7
 And that laugh that wrinkles your nose,
 Bm Bm Gb7
 Touches my foolish heart.
 A7 D Bm Em A7
 You're lovely -- never, never change.
 Gbm Bm
 Keep that breathless charm.
 G G Em A7 D Bm
 Won't you please arrange it? 'Cause I love you
 Em G A7 D Bb Em
 Just the way you look tonight.
 Coda:
 Edim Gdim D Bb Em Edim D
 The way you look tonight.
