

Michael Bublé - You Don't Know Me

```
Tom: C
(G ) (G ) C C7M C You give your hand to me, and then you say, "Hello," F fdim (III) Fdim
And I can hardly speak, my heart is beating so;
C A7 Dm7 G7
      C A7
And anyone can tell you think you know me well,
But you don't know me.
(G ) (G ) C C7M C C7N
No, you don't know the one who dreams of you at night,
                             Fm Fdim (III)
And longs to kiss your lips, and longs to hold you tight--
                                               Dm7 G7
                    A7
                              that's all I've ever been,
To you, I'm just a friend;
               C Dm7 Fdim C
But you don't know me.
Bridae:
F Cdim (IV) Em7 Bm7- A7
For I never knew the art of making love,
F G C
Though my heart ached with love for you;
```

```
F Cdim( IV) Em Bm7- A7
