

Michael Jackson - Best Of Joy

Tom: Eb

I am your joy,
 your best of joy
 I am the moonlight
 You are the spring
 Our Love's a sacred thing
 You know I always will love you
 I am forever
 I am the one who came

When you fell down
 I was the only one around you (the only one)
 When things would hurt you
 I am forever
 Wasn't it I who said that you were free?
 When living seemed so hard to be
 When things would hurt you
 I am forever (I am forever)
 We are forever (We are forever)...
