## **Michael Jackson - Come Together**

```
Intro:
                                                                  Hold you in his armchair
                                                                  You can feel his disease
Here come ol' flat top
                                                                  Come together
He come groovin' up slowly
He's got Joo Joo eyeball
                                                                       G A
                                                                  Right now
He one holy roller
                                                                  Over me
He got hair down to his knees
Got to be a joker he just do what he please
                                                                  Come together babe
                                                                  Come together babe
                                                                  Come together
                                                                  Come together
He wear no shoe shine
                                                                  Solo / Interludio: (1:53)
