

# Michael Jackson - Got To Be There

Tom: D

Got to be there, got to be there  
 In the morning  
 When she says hello to the world  
 Got to be there, got to be there  
 Bring her good times  
 And show her that shes my girl  
 Oh what a feeling therell be  
 The moment I know she loves me  
 cause when I look in her eyes I realize  
 I need her sharing her world beside me

So Ive got to be there  
 Got to be there in the morning  
 And welcome her into my world  
 And show her that she is my girl  
 When she says, hello world!  
 I need her sharing the world beside me  
 Thats why Ive got to be there  
 Got to be there where love begins  
 And thats everywhere she goes  
 Ive got to be there so she knows  
 That when shes with me, shes home  
 Got to be there
