

Michael Jackson - Got To Be There

Tom: **D**

Got to be there, got to be there
In the morning

When she says hello to the world
Got to be there, got to be there

Bring her good times
And show her that shes my girl

Oh what a feeling therell be
The moment I know she loves me

cause when I look in her eyes I realize
I need her sharing her world beside me

So Ive got to be there

Got to be there in the morning
And welcome her into my world

And show her that she is my girl
When she says, hello world!

I need her sharing the world beside me

Thats why Ive got to be there
Got to be there where love begins

And thats everywhere she goes
Ive got to be there so she knows

That when shes with me, shes home
Got to be there

Acordes
