

Michael Jackson - Got To Be There

Tom: D

Got to be there, got to be there
 In the morning
 When she says hello to the world
 Got to be there, got to be there
 Bring her good times
 And show her that shes my girl
 Oh what a feeling therell be
 The moment I know she loves me
 cause when I look in her eyes I realize
 I need her sharing her world beside me

So Ive got to be there
 Got to be there in the morning
 And welcome her into my world
 And show her that she is my girl
 When she says, hello world!
 I need her sharing the world beside me
 Thats why Ive got to be there
 Got to be there where love begins
 And thats everywhere she goes
 Ive got to be there so she knows
 That when shes with me, shes home
 Got to be there
