

Michael Jackson - Heal the World

Tom: A
Intro: A D E D

Verso 1:

There's a place in your heart and I know that it is love,
and this place could be much brighter than tomorrow
And if you really try, you'll find there's no need to cry,
in this place you'll feel there's no hurt or sorrow.

There are ways to get there, if you care enough for the living.

Make a little space, make a better place.

Heal the world, make it a better place

For you and for me and the entire human race.

There are people dying. If you care enough for the living,
Make a better place for you and for me.

Verso 2:

If you want to know why there's a love that cannot lie.

Love is strong, it only cares for joyful giving.

If we try, we shall see, in this bliss we can't feel
fear or dread, we stop existing and start living.

Then it feels that always love's enough for us growing.
Make a better world, make a better world.

Heal the world, make it a better place

For you and for me and the entire human race.

There are people dying. If you care enough for the living,
Make a better place for you and for me.

And the dream we were conceived in will reveal a joyful face

And the world we once believed in will shine again in grace

Then why do we keep strangling life

Wound this earth, crucify it's soul

Though it's plain to see, this world is heavenly. Be God's glow!

Verso 3:

We could fly so high, and our spirits never die.

In my heart I feel you are all my brothers.

Create a world with no fear, together we'll cry happy tears,
see the nations turn their swords into plowshares.

We could really get there, if you cared enough for the living.

Make a little space, to make a better place.

Heal the world, make it a better place

For you and for me and the entire human race.

There are people dying. If you care enough for the living,

Make a better place for you and for me.

Heal the world, make it a better place

For you and for me and the entire human race.

There are people dying. If you care enough for the living,

Make a better place for you and for me.

Heal the world, make it a better place

For you and for me and the entire human race.

There are people dying. If you care enough for the living,

Make a better place for you and for me.

There are people dying. If you care enough for the living,

Make a better place for you and for me.

There are people dying. If you care enough for the living,

Make a better place for you and for me.

For You and for me

You and for me

Make a better place

You and for me

Make a better place

You and for me

Make a better place

You and for me

Heal the world we live in

You and for me

Save it for our children

You and for me

Heal the world we live in

You and for me

Save it for our children
