

Michael Jackson - Invincible

Tom: E

Verso 1:

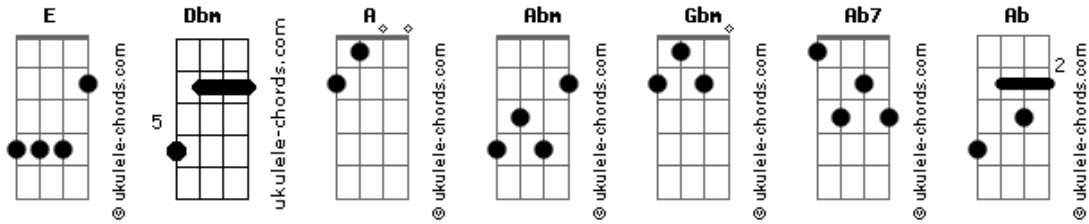

Dbm
 If I could tear down these walls that keep you and I apart
 I know I could claim your heart and our perfect love will start
 But girl you just won't approve of the things that I do
 When all I do is for you but still you say it ain't cool
 If there's somebody else, he can't love you like me
 And he says he'll treat you well, he can't treat you like me
 And he's buying diamonds and pearls, he can't do it like me
 And he's talking you all across the world, he can't trick you like me

Refrão:

Dbm

Now many times I've told you of all the things I would do
 But I cant seem to get through no matter how I try to
 So tell me how does it seem that you ain't checking for me
 When I know that I could be more than you could ever dream
 If there's somebody else, he can't love you like me
 And he says he'll treat you well, he can't treat you like me
 And he's buying diamonds and pearls, he can't do it like me
 And he's talking you all across the world, he can't trick you like me
