

Michael Jackson - Keep The Faith

```
Before your confidence will win out
Intro: :: Db : Bbm : Db : Bbm ::
                                                                  B Gb Abm
                                                                  I told my brother how to do the thing right

B Gb Abm B Gb
            Ab
                        Bbm Db Db7
If you call out loud will it get inside
                                                                  Lift up your head and show the world you got pride
         Gb Db Ebm
                                                                  B Gb Abm B Gb
                                                                  Go for what you want don't let 'em get in your way
B Gb Gb Db Db4 - Db
Through the heart of your surrender to your alibis?
Db Ab Bbm Db Db7

And you can say the words like you under - stand

Gb Db
                                                                  You can be a winner, but you got to keep the faith
Gb Db
But the power's in believing
        E Ebm
                                                              Gon' keep it brother
So give yourself a chance
                                                             Db4 Db
                                                           You got it
     'Cause you can climb the highest mountain
                      Abm - Gb
                                                           I know that keepin' the faith
 Swim the deepest sea - hee
                                                           F7 Bbm
                                                           Means never givin' up on love
              Db
 All you need is the will to wart it
                                                           But the power that love has to make it right
And uhh - little self-esteem
                                                                          makes it right!
                  Db Gb
       So keep the faith
                                                                             Eb Ab
          Db
                                                                  So keep the faith
       Don't let nobody turn you 'round
                                                                        Eb
                                                                  Don't let nobody turn you 'round
           You gotta know when it's good to go
                   Db
                                                                      You gotta know when it's good to go
       To get your dreams up off the ground
                                                                            Eb
                                                                  To get your dreams up off the ground
                  Db
       So keep the faith, baby, yea
                          Gb
                                                                            Eb
                                                                                      Ab
                                                                  So keep the faith, baby, yea
       Because it's just a matter of time
                                                                  Because it's just a matter of time
       Before your confidence will win out
                                                                             Gb6
       B Gb Abm B Gb
Believe in yourself, no matter what it's gon' take
                                                                  Before your confidence will win out
                                                                         Ab
                                         Db Db4 - Db
         B Gb
                          Gb
                                                                                  Bbm
       You can be a winner, but you got to keep the faith
                                                           Better stand up and act like you wanna do
                                                                                                    right
                                                                 Ab Bbm Gb Ab
Db Db4 Db
                                                           Don't play the fool for the rest of your life
   Gon' keep it brother
                                                            Db Ab Bbm
                                                           Work on it brother and you'll make it someday Db Ab Bbm Ab
  Db4 Db
You got it
                                                           Go for what you want and don't forget the faith
Db Ab Bbm Ab
Look at yourself and what you doin' right now
           Db Ab
And when you think of trust, does it lead you home $\sf Gb$
                                                            Db Ab Bbm Ab
To a place that you only dream of when you're all alone

Db Ab Bbm Db Db7

And you can go by feel instead of circumstance
                                                           Stand back a minute just to check yourself out
                                                            Db Ab Bbm
                                                           Straighten out your life and how you're livin' each day

Db Ab Db
But the power's in believing
                                                           Get yourself together 'cause you got to keep the faith
    E Ebm
So give yourself a chance
                                                           (Keep the faith)
                                              B - Gb
                   sail across the water
I know that you can
                                                           Don't let nobody take you down, brother
                                                                Ab
                      Abm - Gb
  Float across the sky - high
                                                               Just keep your eyes on the prize
           Db
                                                                   Eb
  Any road that you take will get you there
                                                           And your feet flat on the ground
                                                           Eb Ab
So keep the faith, baby, yea
       Gb
  If you only try
                                                                       В
                                                           Because it's just a matter of time
                  Db
       So keep the faith,
                                                                       Gb6
                                                           Before your confidence will win out
       Don't let nobody take you down, brother
                                                                 Ab
                      Gb
                                                                              Bbm
                                                           Just keep your eyes on the prize
                Db
       And your feet flat on the ground
                                                           Some things in life you best just leave them alone
                Db Gb
                                                           Db Ab Bbm Gb Ab
       So keep the faith, baby, yea
                                                           Go for what you want don't let it get in your way Db Ab Ab
                                                           You can make it happen but ya got to keep the faith
       Because it's just a matter of time
```

[toda essa parte é sem acorde]

(Keep the faith) Gon' keep it brother you got to keep the faith Yeah keep the faith (Keep the faith) Gon' keep it sister You got to keep the faith - now, now (Keep the faith) I told my brother how to do the thing right Lift up your head and show the world you got pride (Keep the faith) Go for what you want don't let 'em get in your way You can be a winner if you keep the faith (Keep the faith) Straighten out yourself and get your mind on track Dust off your butt and get your self-respect back (Keep the faith)

You've known me long enough to know that I don't play

Take it like you want it but you got to keep the faith

Db Ab

(Keep the faith)

Eb

Don't let nobody take you down, brother

Eb Ab

Just keep your eyes on the prize

Eb

And your feet flat on the ground

Eb Ab

So keep the faith, baby, yea

B

Because it's just a matter of time

Gb6

Before your confidence will win out

Fm

But till that day

Ab

I said you've got to keep the faith! Hmmmmm...
