

Michael Jackson - Man In The Mirror

Tom: G

I'm gonna make a change,
for once in my life

It's gonna feel real good,
gonna make a difference
Gonna make it right...

As I, turn up the collar on

my favorite winter coat
This wind is blowing my mind

I see the kids in the streets,
with not enough to eat
Who am I to be blind?
Pretending not to see their needs

A summer disregard,
a broken bottle top

And a one man soul

They follow each other on the wind ya' know

'Cause they got nowhere to go
That's why I want you to know

(refrão)

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer

If you wanna make the world a better place
Take a look at yourself, and then make a change
(Na na na, na na na, na na, na nah)

I've been a victim of a selfish kind of love
It's time that I realize

That there are some with no home, not a nickel to loan
Could it be really me,
pretending that they're not alone?

A willow deeply scarred, somebody's broken heart

And a washed-out dream

They follow the pattern of the wind ya' see
'Cause they got no place to be

That's why I'm starting with me

(refrão 2x)

I'm starting with the man in the mirror
I'm asking him to change his ways

And no message could have been any clearer

If you wanna make the world a better place
Take a look at yourself, and then make that...

(sobe 1/2 tom - Ab ou Ab)

I'm starting with the man in the mirror
I'm asking him to change his ways

And no message could have been any clearer

If you wanna make the world a better place
Take a look at yourself, and then make a change
