

Michael Jackson - Speechless

Tom: G

your love is magical that's how I feel
 but I have not the words here to explain
 gone is the grace for expressions of passion
 But there are worlds and worlds of ways to explain
 to tell you how I feel but I am

(Quietly strumming)

G Em C D
 speechless, speechless, that's how you make me feel

G Em C D
 Though I'm with you, I am far away and nothing is for real

When I'm with you I am lost for words, I don't know what to say

My head's spinning like a carousel, so silently I pray

Helpless, hopeless, that's how I feel inside

Nothing's real, but all is possible if god is on my side

When I'm with you I am in the light where I cannot be found

It's as though I am standing in the place called hollowed ground

Acordes

G C Em D
 speechless, speechless, that's how you make me feel
 G C Em D
 Though I'm with you I am far away and nothing is for real
 G C Em D
 I'll go anywhere and do anything just to touch your face
 G C
 there is no mountain high I cannot climb
 Em D
 I'm humbled in your grace

G C Em D
 speechless, speechless, that's how you make me feel
 G C Em D
 Though I'm with you I am lost for words and nothing is for real
 G C Em D
 speechless, speechless, that's how you make me feel
 G C Em D
 Though I'm with you I am lost for words and nothing is for real

G C Em D
 speechless, speechless, that's how you make me feel
 G C Em D
 Though I'm with you I am lost for words and nothing is for real
 G
 Speechless

Your love is magical, that's how I feel
 but in your presence I am lost for words
 words like I love you
