

# Michael Jackson - Speechless

Intro: N.C.  
 Your love is magical, that's how I feel  
 N.C.  
 But I have not the words here to explain  
 N.C.  
 Gone is the grace for expressions of passion  
 N.C.  
 But there are worlds and worlds of ways to explain  
 N.C.  
 To tell you how I feel

[Refrão]

But I am speechless, speechless  
 That's how you make me feel  
 Though I'm with you I am far away  
 And nothing is for real  
 When I'm with you I am lost for words  
 I don't know what to say  
 My head's spinning like a carousel  
 So silently I pray

[Primeira Parte]

Helpless and hopeless  
 That's how I feel inside  
 Nothing's real, but all is possible  
 If God is on my side  
 When I'm with you I am in the light  
 Where I cannot be found  
 It's as though I am standing in  
 The place called hallowed ground

[Refrão 2]

Speechless, speechless

tom:

That's how you make me feel  
 Though I'm with you I am far away  
 And nothing is for real  
 I'll go anywhere and do anything  
 Just to touch your face  
 There's no mountain high I cannot climb  
 I'm humbled in your grace

[Refrão 3]

Speechless, speechless  
 That's how you make me feel  
 Though I'm with you I am lost for words  
 And nothing is for real

[Refrão 4]

Speechless, speechless  
 That's how you make me feel  
 Though I'm with you I am far away  
 And nothing is for real  
 Speechless, speechless  
 That's how you make me feel  
 Though I'm with you I am lost for words  
 And nothing is for real  
 Speechless

[Final]

N.C.  
 Your love is magical, that's how I feel  
 N.C.  
 But in your presence I am lost for words  
 N.C.  
 Words like, "I love you."
