

# Michael Jackson - Speed Demon

Tom: C

I'm headed for the border  
 It's on my mind  
 And nothin' really matters  
 I've got to be on time  
 Look in the view mirror  
 Is he hot on my tracks  
 Is he getting nearer  
 I feel some heat is on my back

**D C**  
 (I'm a Speed demon)  
**D**  
 Speedin' on the freeway

Gotta get a leadway  
**D C**  
 (Speed demon)  
**D**  
 Doin't it on the highway

Gotta have it my way  
**D C**  
 (Speed demon)  
**D**  
 Mind is like a compass

I'm stoppin' at nothin'  
**D C**  
 (Speed demon)  
**G**  
 Pull over boy and get your ticket right...

**Am7**  
 And nothin' gonna stop me  
 Ain't no stop and go  
 I'm speedin' on the midway  
 I gotta really burn this road

**D C**  
 (Speed demon)  
**D**  
 Speedin' on the freeway

Gotta get a leadway  
**D C**  
 (Speed demon)  
**D**  
 Doin't it on the highway

Gotta have it my way  
**D C**  
 (Speed demon)  
**D**  
 Mind is like a compass

I'm stoppin' at nothin'

**D C**  
 (Speed demon)  
**G**  
 Just pull over boy and get your ticket right...

**F**  
 Speed demon, you're the very someone  
 Who said the future's in your hands

The life you save could be your own  
**Bm7**  
 You're preachin' 'bout my life like you're the law  
**E7**  
 Gonna live each day and hour like

For me there's no tomorrow

( **Am7** )

**D C**  
 (Speed demon)  
**D**  
 Speedin' on the freeway

Gotta get a leadway  
**D C**  
 (Speed demon)  
**D**  
 Got fire in my pocket

I just lit a rocket  
**F**  
 (Speed demon)

Just, pull over boy and get your ticket right  
**Am7**  
 (Speed demon)

(He say) Pull over boy and get your ticket right  
**F**  
 (Speed demon)

(He say) Just, pull over boy and eat your ticket

(He say) Pull over boy

(He say) Pull over boy and get your ticket right

( **Am7** )  
 Get your ticket right  
 (He say) Pull over boy, get your ticket right  
 (He say) Pull over boy and get your ticket right  
 (He say) Pull over boy  
 (He say) Pull over boy and get your ticket  
 Eat your ticket  
 Get your ticket  
 Eat yo', get yo', Hoo! Aaow!  
 Get your ticket right
