Darkness falls across the land, the midnight hour is close at hand
Creatures crawl in search of blood, to terrorize y'awl's neighbourhood
And whosoever shall be found, without the soul for getting down
Must stand and face the hounds of hell, and rot inside a corpse's shell

The foulest stench is in the air, the funk of forty thousand years
And grizzly ghouls from every tomb, are closing in to seal your doom
And though you fight to stay alive, your body starts to shiver
For no mere mortal can resist, the evil of the thriller
