Tom: **Gb**
Intro: 2x: **Ebm Ab7 Abm**
Intro: / Versos:

Verso 1:
Now I'm just wondering why you think
That you can get to me with anything
Seems like you'd know by now, when and how I get down
And with all that I've been through, I'm still around
Don't you ever make no mistake
Baby I've got what it takes
And there's no way you'll ever get to me
Why can't you see that you'll never ever hurt me
'Cause I won't let it be, I'm too much for you baby

Verso 2:
Now you can't stop me even though you think
That if you block me, you've done your thing
And when you bury me underneath all your pain
I'm steady laughin', while surfacing
Don't you ever make no mistake
Baby I've got what it takes
And there's no way you'll ever get to me
Why can't you see that you'll never ever hurt me
'Cause I won't let it be, see I'm too much for you
