

Michael Jackson - We Are The World

Tom: E

We are the World, we are the children

There comes a time, when we hear a certain call

When the world must come together as one

There are people dying

And it's time to lend a hand to life

The greatest gift of all

We can't go on pretending day by day

That someone, somewhere will soon make a change

We are all a part of God's great big family

And the truth, you know, Love is all we need

We are the World, we are the children

We are the ones who make a brighter day so lets start giving

There's a choice we're making, We're saving our own lives

It's true we'll make a better day, just you and me

Send them your heart so they'll know that someone cares

And their lives will be stronger and free

As God has shown us by turning stones to bread

So we all must lend a helping hand

We are the World, we are the children

We are the ones who make a brighter day so lets start giving

There's a choice we're making, We're saving our own lives

It's true we'll make a better day, just you and me

(refrão 7x)

We are the World, we are the children

We are the ones who make a brighter day so lets start giving

There's a choice we're making, We're saving our own lives

It's true we'll make a better day, just you and me
