[Primeira Parte]

Another day is passing by
 Nothing feels the same anymore
 I see it clear without fear
 Complete order in my life
 As I look into the blue sky
 I feel so much alive
 I have never felt like this before

[Segunda Parte]

We are the same everywhere
 We just want to be loved
 We are confused, we are scared
 Still we have to find our own way

Life's not always very easy

There are times when it all feels black
 But I tell you there is always a way

[Refrão]

And the key to the universe is love
 And this key could free the mankind
 Trust yourself
 The voice within will guide you on your path of life
 And the key to the universe is love
