

Michael Kiwanuka - Rule The World

tom:

Fm

Do I have to rule the world?
 Or will it come to me?
 Do I have to live in doubt
 Or will it turn to me?
 Do I have to lose my mind?
 Cause it's been wandering
 Will they ever let me out?
 I've been wondering
 Help me to see
 Who I can be
 Help me to know
 Where I can go
 (Take me)
 Take me out of myself again
 (Help me)
 Help me lose control
 (Show me)
 Show me love, show me happiness
 (Love me)

I can't do this on my own
 I don't understand the game
 Or who I meant to be
 It's driving me insane
 The way you're playing me
 Help me to see
 Who I can be
 Help me to know
 Where I can go
 (Take me)
 Take me out of myself again
 (Help me)
 Help me lose control
 (Show me)
 Show me love, show me happiness
 (Love me)
 I can't do this on my own
 (Take me)
 (Help me)
 (Show me)
 (Love me)
