

Michael Ramos - Always Have a Hope To Find a Master

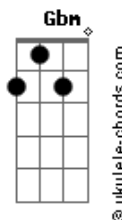

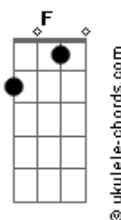

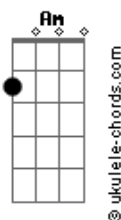

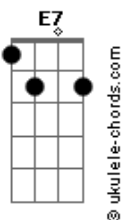

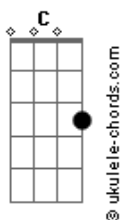

tom:

Intro: C
[Primeira Parte]

C E7
In this walk I'm living, a hundred million light away from you
Am Am
That's why I sift through the rubbish of your arms
F Gbm
It always gets hot on winter days

C E7
There will be a sign around a great master
Am Am
Only time will tell to heal the broken heart
F Gbm
I wonder how long it will take
C E7
The time of the world cup or maybe will not come

Acordes

Am Am
I will follow the precise path to fill
F Gbm
The various time has left in the chest
C E7
But not easy to live alone in this city
Am Am
Crazy as Sao Paulo with big building trade
F Gbm
What city street can I find you?
C E7
Maybe it could be on public transportation
Am Am
In city parks or culture center
F Gbm
Always have a hope to find a master
