

Michael W. Smith - I will be here for you

```
Tom: Bb
                                                          I will be your shelter
                                                          B B Dbm I'll give you my shoulder
 A B A B
            A7M A
When you feel the sunlight
                                                              Just reach out for my love
B B Dbm
                                                              Reach out for my love
Fade into the cold night
                                                         Db Gbm E A
                                                         Call my name and my heart will hear Db Gbm E
    Don't know where to turn
                                                          I will be there, there's nothing to fear
    I don't know where to turn
And all the dreams you're dreaming B Dbm
                                                                      Dbm7
                                                                                F#m(sus2) Gbm
Seem to lose their meaning
                                                              I will be here for you
                                                                        E
                                                              Somewhere in the night
    Let me in your world
                                                                         D E7 D E
                                                              Somewhere in the night
    Baby, let me in your world
                                                                                    F#m(sus2) Gbm
                                                              A Dbm7
                                                              I'll shine a light for you
Db Gbm E A D
                                                              Bm7 Dm
All you need is someone you can hold

Db Gbm E E

Don't be sad, you're not alone
                                                              Somewhere in the night
                                                              Dbm7
                                                                            Gbm
                                                              I'll be standing by
                                                              Bm7 D F
                                                              I will be here for you
