

# Michael W. Smith - There She Stands

Tom: D  
Intro: play single note D (above middle C on piano) 8x

D D  
When the night seems to say  
D Bb  
All hope is lost, gone away  
G Gbm  
But i know, i'm not alone  
Em A D  
By the light, she stands

D D  
There she waves, faithful friend  
D Bm  
Shimmering stars, westward wind  
G Gbm  
Show the way, carry me  
Bm A D  
To the place, she stands

Chorus 1:

A Bm G  
Just when you think it might be over  
A Bm G  
Just when you think the fight is gone  
A Bm G  
Someone will risk his life to raise her  
Em A D  
There she stands

D D  
There she flies, clear blue skies  
D Bm  
Reminds us with red of those that died  
G Gbm  
Washed in white, by the brave  
Em A D  
In this dream, she stands

Chorus 2:

A Bm G  
When evil calls itself a martyr  
A Bm G  
When all your hopes come crashing down  
A Bm G  
Someone will pull her from the rubble  
Em A D  
There she stands  
A Bm G  
We've seen it flying torn and tattered  
A Bm G  
We've seen her stand the test of time  
A Bm G  
And through it all the fools have fallen  
Em A D  
There she stands

D D  
By the dawns early light  
D A D  
And through the fight, she stands
