

# Michelle Strasinski - Água, Todo Mundo Têm Que Cuidar!

tom:

Am

Am

Água limpa p'rá beber

Água para cozinhar

Água para o banho refrescar

Água para se viver

Mas se a gente não cuidar da água

Água limpa não teremos mais p'rá beber

Porque os recursos são finitos

## Acordes

Sabedoria temos que ter

Água limpa da torneira

Procure não desperdiçar

Precisamos da água a vida inteira

Todo mundo têm que cuidar

Água limpa da torneira

Procure não desperdiçar

Precisamos da água a vida inteira

Todo mundo têm que cuidar
