

Michelle Straszinski - Água, Todo Mundo Têm Que Cuidar!

tom:

Am

Am

Água limpa p'rá beber

Água para cozinhar

Água para o banho refrescar

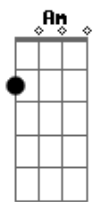

Água para se viver

Mas se a gente não cuidar da água

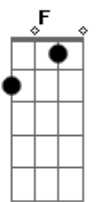

Água limpa não teremos mais p'rá beber

Porque os recursos são finitos

Sabedoria temos que ter

Água limpa da torneira

Procure não desperdiçar

Precisamos da água a vida inteira

Todo mundo têm que cuidar

Água limpa da torneira

Procure não desperdiçar

Precisamos da água a vida inteira

Todo mundo têm que cuidar
