

Michelle Williams - Heard a Word

tom:

C

Listen

Listen

C7M **F7M**
 You know I've had my share of ups and downs
C7M **F7M**
 You live and learn, this world keeps on turning round

Bm7 **E** **Am**
 Sometimes those rainy days

Gm7 **C7** **F**
 Seem like they last forever

Bm7 **E** **Am**
 Wish I could turn the page

Fadd9
 And move on (and move on)

C7M **F7M**
 Been longing for the days when you used to sit here
 talking

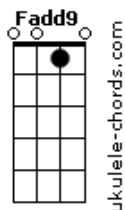

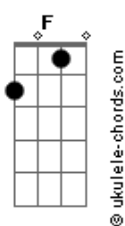

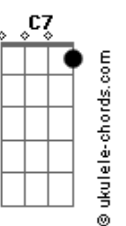

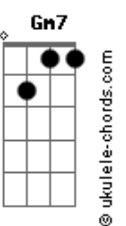

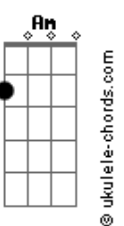

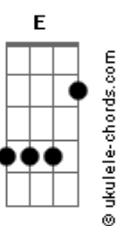

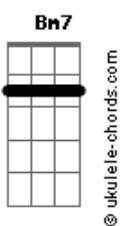

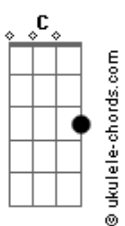

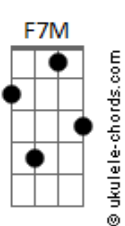

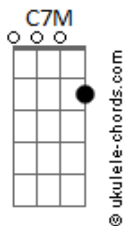

(All through the night)

C7M **F7M**
 Trynna keep my spirits high so I can walk in

(Into your life)

Bm7 **E** **Am**

Acordes

Used to be right next to me
Gm7 **C7** **F**
 All the things you dream about when you're retained
Bm7 **E** **Am** **F**
 Now it seems like everything's so far away
C7M

Then one day you know

I heard a word

F7M
 Saying: Girl you'll be fine

I heard a word

F7M
 That would ease my troubled mind

Bm7 **E** **Am**
 Took all the hurt away

Gm7 **C7** **F**
 Warmed me up inside like a summer day

Bm7 **E** **Am**
 So glad you said you'd never

F7M
 Break your promises

I thank you lord

I thank you God

So glad
