

# Midland - Cheatin Songs

tom:  
E

[Primeira Parte]

Sometimes her jacket smells like cigarettes  
But she hates to smoke  
And when I ask her who she's hanging out with  
She says no one I would know

[Pré - Refrão 1]

Maybe I'm crazy, maybe I'm not  
Maybe she's guilty, maybe she's caught

[Refrão]

She's bringing back cheatin' songs  
The kinda hurt that gets you singing along  
Something circa-1973  
She's lying with him and she's lying to me  
She's bringing back diamond rings  
'Cept in the pocket of her tight fittin' jeans  
It's back in fashion doing somebody wrong  
She's bringing back cheatin' songs

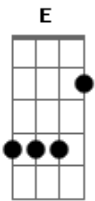

[Segunda Parte]

She used to call me on her way back home  
But she don't call anymore  
And when she's putting on that little black dress  
Who's she wearing it for?

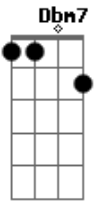

[Pré-Refrão 2]

Maybe I'm jealous; wouldn't you be?  
If you saw the way she ain't lookin' at me

[Ponte]

Steal guitars are back in style  
Like tears fallin' over her smile  
Yeah, it's been a while since country music loved a fool  
Running around was cool
