Midland - Drinkin Problem

```
Same ole, same ole blue neon
Tom: A
Intro: E7 E E
                                                                             Bm
         E7 E E
                                                                The same ole buzz
                                                                           F
          Bm
                                                                Just because
One more night
                                                                                      Bm
          Е
                                                                People say I've got a drinkin' problem
One more down
                   Gbm
          Α
                                                                                         Α
One more, one more round
                                                                That ain't no reason to stop
          Bm
                                                                                         Bm
                                                                People sayin' that I've hit rock bottom
First one in
         F
                                                                Just cause I'm livin' on the rocks
Last one out
                              Gbm
                                                                                      D
            Α
Givin' this town lots to talk about
                                                                It's a broken hearted thinkin' problem
           Bm
                                                                                                Dbm
                                                                So pull another bottle off the wall
They don't know
                                                                                      Bm
                                                                                                               F
What they don't know
                                                                People say I've got a drinkin' problem, but I got no problem
                                                                drinkin' at all
                      Bm
People say I've got a drinkin' problem
                                                                They keep on talkin'
                                                                Gbm
That ain't no reason to stop
                                                                Drawin conclusions
                        Bm
                                                                Bm
People sayin' that I've hit rock bottom
                                                                They call it a problem
                                                                F
Just cause I'm livin' on the rocks
                                                                I call it a solution
                      D
                                                                                             Gbm
It's a broken hearted thinkin' problem
                                                                Just sittin' here in all my grand illusions
                               Dbm
                                                                Bm
So pull another bottle off the wall
                                                                They call it a problem I call it a solution
                       Bm
                                               Е
People say I've got a drinkin' problem, but I got no problem
                                                                             Bm
                                                                Bm A
                                                                                     Е
drinkin' at all
                                                                Woah, Just a solution
They keep on talkin'
                                                                                      D
                                                                It's a broken hearted thinkin' problem
Gbm
Drawin' conclusions
                                                                                                Dbm
                                                                So pull another bottle off the wall
Bm
They call it a problem
                                                                                                               F
                                                                                   Bm
                                                                People say I got a drinkin' problem, but I've got no problem
I call it a solution
                                                                drinkin' at all
[Solo] A Gbm Bm E
                                                                They keep on talkin'
                                                                Gbm
                                                                Drawin' conclusions
          Bm
                         F
Last call gets later and later
                                                                They call it a problem
                                        Gbm
          Α
I come in here so I don't have to hate her
                                                                Е
                                                                I call it a solution
         Bm
Same ole folks
                                                                                             Gbm
                                                                Just sittin' here in all my grand illusions
         Е
Same ole songs
                                                                Bm
                        Gbm
                                                                They call it a problem I call it a solution
         Α
