

Midland - Fourteen Gears

Tom: G
Intro: A G D
A G D

D
And darlin' I still hear your name
Through the windshield wipers in the drivin' rain
I'll be crossed the rocky mountains in the mornin'
D
And it's one too many lonely nights
When the highway comes to be a way of life
G
Seems like about the time I'm gettin' there, I'm goin'

D Em
Hear that Peterbilt whine down the solid white line
G A
Don't make no money if I don't make it there on time
A D Em
Houston, Dallas, San Antone, wind it up until I'm home
G D
I've got fourteen gears to get you back in my arms

[Solo] A G D

D
But if I know that you'll be waitin' there
Em
Then you know that's a weight girl that I can bear
G D
I can see your face in the headlights' lonely glare

D
With the big ol' moon steady on the rise
Em
And the hammer down across the great divide
G D
I'll be pushin' through till I'm back where I belong
D Em
Hear that Peterbilt whine down the solid white line
G A
Don't make no money if I don't make it there on time
A D Em
Houston, Dallas, San Antone, wind it up until I'm home
G D
I've got fourteen gears to get you back in my arms

Bm A G
To watch the sunset on the west Arizona sky
Bm A G A
To feel the cool wind on a cold El Paso night

D Em
Hear that Peterbilt whine down the solid white line
G A
Don't make no money if I don't make it there on time
A D Em
Houston, Dallas, San Antone, wind it up until I'm home
