

Midland - Make a Little

Tom: E

It's a hard living, tail kicking
 Trip that we're all on, but I'm betting
 We can find a little sunshine in the night
 It's a back breaking, soul taking
 Road we walk, so what are we waiting for
 Baby let's turn off the lights
 'Cause girl, there's just not enough love in the world

So we should make a little
 Generate a little
 Maybe even make the world a better place a little
 We could turtle dove, Dixie land delight
 You know it can't be wrong when it feels so right
 It all comes down to you and me, girl
 There's just not enough love in the world
 So we should make a little
 Then make a little more tonight

It's a clock punching, cash crunching
 And it all adds up to nothing
 If you're in this thing alone
 So don't tease me, it's so easy
 To just turn off the TV, and make some headlines of our own
 Yeah girl, there's just not enough love in the world

So we should make a little
 Conjugate a little

Maybe even make the world a better place a little
 We could turtle dove, Dixie land delight
 You know it can't be wrong when it feels so right
 It all comes down to you and me, girl
 There's just not enough love in the world
 So we should make a little
 Then make a little more tonight

 It all comes down to you and me, girl

 So we should make a little
 Then make a little more

 Then make a little more tonight
