

Midnight Kids - Run It (feat. Annika Wells)

tom:
 Ab
 I remember when, in the summer winds
 Abm7 Eb
 We would speed down the 405 playing The Who
 Ab Eb
 With the red lights, and adrenaline
 Abm7 Db
 We had young blood in our veins and dirt on our shoes

[Pré-Refrão]

Ab Eb
 But you sold, that car, the year you finished school
 Abm7 Db
 And I stopped, wearing, that faded pair of shoes
 Ab Eb Abm7
 We got, so wrapped up in the clouds, we fell through
 Db
 Hey! Hey! Hey! Oh!

[Refrão]

Ab Eb
 We just want to, stay this young for
 Abm7
 Every day the bills keep coming
 Db
 All the bullshit we're all stuck in
 Ab Eb
 Take me back to, when we'd just drive
 Abm7
 Think it's time that we said fuck it
 Db
 Red light! Let's run it
 Ab Eb
 I'm sitting in line, on the 405
 Abm7 Db
 When the same song that we'd sing is playing outside

Ab
 I got the windows up but I can hear enough

Eb
 For it to bring me back to the way we loved
 Abm7 Db
 Feeling so big, feeling sober, feeling alive

[Pré-Refrão]

Ab Eb
 But you sold, that car, the year you finished school
 Abm7 Db
 And I stopped, wearing, that faded pair of shoes
 Ab Eb Abm7
 We got, so wrapped up in the clouds, we fell through
 Db
 Hey! Hey! Hey! Oh!

[Refrão]

Ab Eb
 We just want to, stay this young for
 Abm7
 Every day the bills keep coming
 Db
 All the bullshit we're all stuck in
 Ab Eb
 Take me back to, when we'd just drive
 Abm7
 Think it's time that we said fuck it
 Db
 Red light! Let's run it

Ab Eb Abm7 Db
 Oh, oh, oh-oh-oh-oh

Oh, oh, oh-oh-oh-oh
 Oh, oh, oh-oh-oh-oh

Red light! Let's run it!
