

Mighty Oaks - Brother

Tom: D

(com acordes na forma de C)

Capostrate na 2ª casa

We had howl

Am C
we had run around

In the summer in the nighttime

We made no sound

Am C
And deep in the forest we get lost

Am C
Whistle to the Birds as they call

Am C
Go on Trips

Am C
Moving with weather as it shifts

Am C
We took to the seas and let it drift

Am C
How many islands could we hear?

F C
I'd follow you

To the end of the world if only you would ask me to

Am G
On and on we go, my brother

F C
I've got you

Nothing to stop us now

F C G
Because we found in life what's true

F C G
Oh my brother I'd follow you

Am C
Oh oh oh oh oh

Am C
In my faded truck

We shot across the country to find our luck

Am C
And the youth inside would scream and shout

Am C

Like a dagger in the heart we ripped it out

Am
And we had laugh through the night

Call the star's

C
By the fire shining on

Through the night

We will run

Am
To the rising life and on

Through the night

Burn the flames

C
The world will know our Names

1..2..3..4..

F C
I'd follow you

G F C
To the end of the world if only you would ask me to

Am G
On and on we go, my brother

F C
I've got you

Nothing to stop us now
