

Mika - Blue Eyes

Tom: G
Intro: G D G D Am C Am C D G

Your heart is broken
To your surprise
You're sick of crying
For blue eyes
So tired of living
Misunderstood
You think your a woman
I think you should

Come sorrow is so peculiar
Comes in a day, then it will never leave you
You take a pill, wonder if it will fix you
Then wonder why sorrow has never left you

I'm talkin' bout blue eyes, blue eyes
What's a matter, matter?
Blue eyes, blue eyes
What's a matter, matter?
so blind, so blind
What's a matter, matter?

Am C Am
Blue eyes, blue eyes
What's a matter with you?

Repeat:

Your heart got broken
on the underground
Go find your spirit
in the lost and found
Oh I've been watching
How you behave
Not much like a lover
More like a slave

Come, sorrow is so peculiar
It comes in a day, then it'll never leave you
You take a pill, wonder if it will fix you
Then wonder why sorrow has never left you

I'm talkin' bout blue eyes, blue eyes
What's a matter, matter?
Blue eyes, blue eyes
What's a matter matter?
so blind, so blind
What's a matter, matter?
Blue eyes, blue eyes
What's the matter with...
Blue eyes, blue eyes
What's the matter matter
Blue eyes, blue eyes
What's the matter matter
so blind, so blind
What's the matter, matter
Blue eyes, blue eyes
What's the matter with you?
What's the matter with you?
What's the matter with you?
