

## Mike Krol - Less Than Together

```
Tom: G
          Dh
 Ever since you went away
My heart feels less than together
 And though I never got to say
I'll miss you forever and ever
 We never quite got along
You never learned right from wrong
F Bb Gb
But you were happy anyway
  You were better off with my dad
                   Gb
A best friend that he never had
F Bb
And now I worry thinking about him Uh huh
               Ah
 Ever since you went away
My heart feels less than together
   And though I never got to say
```

```
I'll miss you forever and ever
 After school we would walk
Db
                 Gb
You stared at me when I talked
   F Bb
But I could tell you were listening
So if you're out there
Db Gb
I hope you hear me now
   Bb Gb D
That this is my goodbye
 Ever since you went away
My heart feels less than together
   And though I never got to say
I'll miss you forever and ever
 Ever since you went away
My heart feels less than together
   And though I never got to say
I'll miss you forever and ever
```
