

# Mike Love - Earthlings

Tom: D

Riff:

I just can't take no more <sup>D</sup>  
<sup>A</sup> I gotta get out of this place <sup>G</sup> (Riff)  
<sup>D</sup> Cause the things I've seen  
 Have broken my heart  
<sup>Gb</sup> Made me feel ashamed,  
<sup>G</sup> Just to be a part of this human race. (Riff)  
<sup>D</sup> If you could see their eyes while they were dying,  
<sup>Bm</sup> If you could hear their cries while they were dying,  
<sup>A</sup> Would you still put them on your dinner table my friend? <sup>D</sup>  
<sup>D</sup> If you held the knife while they were dying,  
<sup>Bm</sup> And if it was you who did the killing,  
<sup>A</sup> Would it be different,  
 Cause there's no difference  
<sup>D</sup> In the end.

<sup>D</sup> The blood is on your hands,  
<sup>Bm</sup> The blood is on your hands,  
<sup>A</sup> If you don't make a change,  
 If you don't take a stand,  
<sup>D</sup> The blood is on your hands  
<sup>D</sup> Oh my brother could you take sometime  
 It would mean a lot to me,  
<sup>Bm</sup> And oh my sister would you make sometime

There's something you have to see

<sup>G</sup>  
<sup>D</sup> It's a little hard to swallow but the truth will set you free  
 ( G D )

<sup>D</sup> double u, double u, double u, dot, earthlings dot com  
<sup>Bm</sup> double u, double u, double u, dot, earthlings dot com  
<sup>G</sup> double u, double u, double u, dot, earthlings dot com  
<sup>D</sup>

<sup>D</sup> If you felt the pain with every bite you took,  
<sup>Bm</sup> And if you caught a glimpse with every bite you took,  
<sup>A</sup> Of all the misery and the suffering,  
<sup>D</sup> Just to feed your selfish craving, would you still swallow?

<sup>D</sup> The blood is on your hands,  
<sup>Bm</sup> The blood is on your hands,  
<sup>A</sup> If you don't make a change,  
 If you don't take a stand,  
<sup>D</sup> The blood is on your hands

<sup>D</sup> If you look the other way when they're <sup>Gb</sup> crying out in pain,  
<sup>G</sup> If you wear fur, if you wear leather,  
 (Riff) <sup>A</sup> <sup>D</sup>  
 If you eat meat, the blood is on your hands.  
<sup>D</sup> Just because you have the might,  
<sup>Gb</sup> It doesn't give you the right  
<sup>G</sup>  
 And just because you have more brains,  
 It doesn't mean they feel less pain,  
 And if you choose to remain ignorant,  
<sup>D</sup> The blood is on your hands
