[Refrão]

**Abm** **Bbm**  
In these troubling times  
**Abm**  
Money comes and goes

But one thing I know  
**Gb** **Bbm** **Abm**  
Jah will never leave I alone

And the sun will shine  
**Bbm**  
And the rain will fall  
**Abm**

But I n I know  
**Gb** **Bbm**  
Jah will never leave I alone

[Primeira Parte]

**Abm** **Bbm**  
I woke up early this morning  
**Abm**  
And Jah sun was not yet dawning  
**Gb** **Bbm**

But I know in my heart it's gonna rise  
**Abm**  
Cause just before dawn the night is at its darkest  
**Bbm** **Abm**  
And just when you think what you seek is at its farthest  
**Gb**

**Bbm**  
That's when Jah will show you you're standing at the finish  
line  
**Ebm**  
**Db**  
Cause when you're running around you can't find the time to  
clear up your mind  
**Ebm**  
And if you never Imitate you won't contemplate the mysteries  
of time

See you're a prisoner of a system of an ancient design  
**Db**  
Watching your future become past is your favorite pastime  
**B**  
To break the bonds of this system of slavery is up to you  
**Db**

And your redemption will come if your words and actions are true  
**B**  
Because no matter what no one can make your choices for you  
**Db**
