

Mike Posner - I Took a Pill In Ibiza

Tom: Bb

(com acordes na forma de Capostrate na 3ª casa G)

I took a pill in Ibiza

To show Avicii I was cool

And when I finally got sober, felt 10 years older

But fuck it, it was something to do.

I'm livin' out in LA

I drive a sports car just to prove

I'm a real big baller

Cause I made a million dollars and I spent it on girls and shoes

But you don't want to be high like me

Never really knowing why like me

You don't ever wanna step off that roller coaster and be all alone.

You never wanna ride the bus like this

Never knowing who to trust like this

You don't wanna be stuck up on that stage singing.

Stuck up on that stage singing.

All I know are sad songs, sad songs.

Darling, all I know are sad songs, sad songs.

I'm just a singer who already blew his shot

I get along with old timers

Cause my name's a reminder of a pop song people forgot

And I can't keep a girl, no

Cause as soon as the sun comes up

I cut em all loose and work's my excuse

But the truth is I can't open up

But you don't want to be high like me

Never really knowing why like me

You don't ever wanna step off that roller coaster and be all alone.

You never wanna ride the bus like this

Never knowing who to trust like this

You don't wanna be stuck up on that stage singing.

Stuck up on that stage singing.

All I know are sad songs, sad songs.

Darling, all I know are sad songs, sad songs.

I took a plane to my home town

I brought my pride and my guitar

All my friends are all gone but there's manicured lawns

And the people still think I'm a star

I walked around downtown

I met some fans in life I earned

They said tell us how to make it cause we're getting real impatient

So I looked em in the eye and said

Refrão:

But you don't want to be high like me

Never really knowing why like me

You don't ever wanna step off that roller coaster and be all alone.

You never wanna ride the bus like this

Never knowing who to trust like this

You don't wanna be stuck up on that stage singing.

Stuck up on that stage singing.

All I know are sad songs, sad songs.

Darling, all I know are sad songs, sad songs.
