Tom: Bb

m [Intro] Gb Ab Bbm Db Ebm Bbm G

Bbm Db Ebm
They'll tell you I don't care anymore
Bbm Ab Fm Gb
And I hope you'll know that's a lie
Ab Bb Db Ebm
Cause I've found what I have been waiting for
Bbm Ab Fm Gb
But to get there means crossing a line

I don't know how to warn you for what I'm gonna say
Cause you're holding so tight to what I'm taking away
I got demons inside me, so I'm faced with a choice
Either try to ignore them, or I give them a voice

Fm Gb Ab
And it's keeping me up at night
Bb Dbm
Worried it's not alright
Ebm Bbm Ab
Holding back things you don't know
Fm Gb Ab
And it's keeping me up at night
Bb Dbm
Worried it's not alright
Ebm Bbm Ab
You're not gonna like where this goes

Bbm Db Ebm
They'll tell you I don't care anymore
Bbm Ab Fm Gb
And I hope you'll know that's a lie
Ab Bb Db Ebm
Cause I've found what I have been waiting for
Bbm Ab Fm Gb
But to get there means crossing a line
Ab
So I'm crossing a line

(Bbm Db Ebm Bbm Ab Fm Gb)

It's not about status, we know it never was
Cause what good is the kingdom when you're missing the love?
This is not a goodbye now, I'm not going away
No, I don't have the answers, but I do have the faith

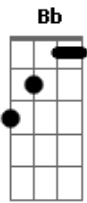

Fm Gb Ab
Ooh, and it's keeping me up at night
Bbm Dbm
Worried it's not alright
Ebm Bbm Ab
Holding back things you don't know
Fm Gb Ab
And it's keeping me up at night
Bbm Dbm
Worried it's not alright
Ebm Bbm Ab
You're not gonna like where this goes, no

Bbm Db Ebm
and, They'll tell you I don't care anymore
Bbm Ab Fm Gb
And I hope you'll know that's a lie

And I hope you'll know that's a lie
(Hope you know that's a lie)
Ab Bbm Db Ebm
Cause I've found what I have been waiting for
