 A  
 Walkin' in the building  
 Dbm  
 Everybody still askin' how I'm feeling  
 B  
 Have I felt like I finally caught a rhythm  
 Gbm  
 Now I know what kind of answer I should give them  
 Abm A  
 But I say  
 Dbm  
 I'm just trying to know where the next step is  
 B  
 Looking for the "go" where the "ready, set" is  
 Gbm  
 Tryna find a beat I can get in step with  
 Abm A  
 I'm just tryna breathe, let me get a breath in  
 Dbm  
 Yes I know, we can't all follow where I plan to go  
 B  
 All I want is faith in the path I chose

 Dbm  
 Feeling just right, just fine for a minute  
 B  
 And then my vibe could turn on its side in a minute  
 Gbm Abm  
 The second I asked you if you had my back  
 A  
 And in your hesitation, betrayed, you did not  
 Dbm  
 I asked you for confidence you haven't got  
 B  
 Heartbreakin', you basically end and you find  
 Gbm Abm A  
 There was no way to take it but anger inspired  
 So there you go

Dbm  
 All I want is faith in the path I chose  
 B  
 All I'm getting back is an "I don't know"
