

# Mikezin - 40 Graus

tom:

G

Em

C

Faz assim, que eu tô passando mal

Essa noite vai terminar no hospital

Joga essa raba em mim rebola até o fim

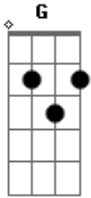

Nossos corpos se entrelaçam e o calor de 40 graus

[Refrão]

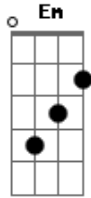

Dorondom dom dom dom Preta você tem o dom

Rebola e desce, tira minha sanidade que eu retribuo tirando o seu batom
