A  
Oh I heard you were trouble  
And you heard I was trouble Gbm

No games just a slave to you totally A  
Cause I don't care about what they say about you virgo Gbm  
And you don't care about what they say about me virgo D  
But you know what they say about trouble  
A  
Pull me down if you want to  
And I hope that you want to Gbm D  
Cause I want to be your man A  
And I wanna say it loud  
You can show me where trouble goes Gbm  
Tell me secrets only trouble knows D  
Cause you wanna be my girl A  
And you wanna say it loud  
A  
I want you to know that I've got your back  
Even when the whole foundation seems cracked Gbm  
Two punk kids up against the world  
Ya trouble, there goes trouble A  
We could be king and queen of the moonlight

Two young lovers Gbm  
And when the moods right D

And I hope that you want to Gbm D  
Cause I want to be your man A  
And I wanna say it loud Gbm  
You can show me where trouble goes D  
Tell me secrets only trouble knows A  
Cause you wanna be my girl D  
And you wanna say it loud
