Tom: C

Who Are You, Really? - Mikky Ekko  
Intro: Drums

Then Bass tabbed for guitar:

Capo 1

Verse 1

So you're feeling tied up to a sense of control  
 And make decisions that you think are your own  
 You are a stranger here, why have you come?  
 Why have you come, lift me higher,  
 let me look at the sun, look at the sun  
 and once I hear them clearly, say

[Chorus]

Who, who are you really?

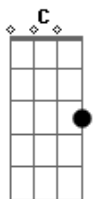

Am Em F G  
 And where, where are you going?  
 Am Em F G  
 I've got nothing left to prove  
 Am Em F G  
 Cause I've got nothing left to lose  
 Am Em F G  
 See me bare my teeth for you  
 Am Em F G  
 Who, who are you?

[Am interlude with bass from intro]

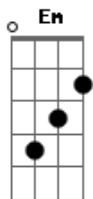

Now you're moving on and you say you're alone  
 Suspicious that this string is moving your bones  
 We are the fire, we see how they run  
 See how they run, lift me higher,  
 let me look at the sun, look at the sun  
 and once I hear them clearly, say

[Chorus x2]
