

# Miles Kane - Colour Of The Trap

Tom: A

If you just get <sup>A</sup> it together and read my mind  
Then sleeping would be easy

And then I'll be there to acquiesce

I confess I'm in trouble

Another <sup>A</sup> afternoon of increments  
And asking the wrong questions

Then you get up and leave again

Just as the evening threatens to set

Consider this now <sup>D</sup> its not too <sup>E</sup> late

I have watched you <sup>A</sup> change

The colour of the trap before girl  
<sup>Gbm</sup> <sup>Bm</sup> I have learned to wait

Most of the things that you say  
I don't understand but I will sit and listen

I nod along attentively

E A

But the truth is I can't concentrate

Consider this now <sup>A</sup> its not too <sup>D</sup> late

I have watched you <sup>A</sup> change

The colour of the trap before girl

<sup>Gbm</sup> <sup>Bm</sup> I have learned to wait

Make no mistake

Well I have learned to wait

And you have learned that you can make me

I need something to sort me out

I need someone to come and shake me

And your exit calms me down

Before it infuriates me

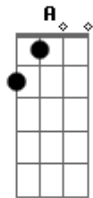

Girl I'm in trouble

Wish you'd just get it together and read my mind

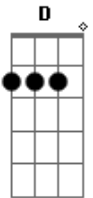

La la <sup>Bm</sup> <sup>Dm</sup>

La la <sup>A</sup> <sup>Bm</sup> <sup>Dm</sup>
