

# Miley Cyrus - Bad Mood

Tom: **Db**  
 Intro: **Bbm Db**  
 (Ooooh) I wake up in a bad mood  
**Bbm Db**  
 (Ooooh) I wake up in a bad mood

[Verse 1]

**Bbm**  
 I always wake up in a bad mood  
**Db Bbm**  
 I can never fall asleep  
 I'm always thinkin' bout you  
**Db Ebm**  
 What life would be if we didn't meet  
**Db Ab**  
 I always wake up in a bad mood  
**Bbm Ebm**  
 Open my eyes then I'm on my feet  
**Db Ab**  
 And I wonder what you would do, yeah  
 N.C. **Bbm**  
 If you couldn't rely on me

[Chorus]

**Bbm Db**  
 (Ooooh) I wake up in a bad mood  
**Bbm Db**  
 (Ooooh) I wake up in a bad mood  
**Ebm Db Ab**  
 And you know that I got the proof  
**Bbm Ebm**  
 We're held together just by a string  
**Db Ab**  
 While you're hangin' round with your crew  
**Bbm**  
 I'm here balancin' too many things

[Verse 2]

**Bbm**  
 I always wake up in a bad mood  
**Db Bbm**  
 I'm sick of rushing straight to the sink  
 You're acting like you ain't got the news  
**Db Ebm**  
 I don't even really care what you think  
**Db Ab**  
 But what I do, you know I do with love  
**Bbm Ebm**

I believe in more than you can see  
**Db Ab**  
 And you know I'm never givin' up  
**Bbm**  
 I ain't stoppin' till I know I'm free

[Chorus 2]

**Bbm Db**  
 (Ooooh) I wake up in a bad mood  
**Bbm Db**  
 (Ooooh) I wake up in a bad mood  
**Ebm Db Ab**  
 The glass ceilings gotta break  
**Bbm Ebm**  
 All together wanna hear ya say  
**Db Ab Bbm**  
 "I don't know how much more it can take"

[Bridge]

**Bbm Db**  
 You know it's gone on way too long (don't ya?)  
 And you know it's wrong (don't ya?)  
**Ebm**  
 But I know I'm strong (don't ya?) I don't give up (no sir)  
**Fm Gb**  
 And when it gets rough (rough) I get tough (tough)  
 N.C.  
 I've had enough

[Chorus 3]

**Bbm Db**  
 (Ooooh) I wake up in a bad mood  
**Bbm Db**  
 (Ooooh) I wake up in a bad mood  
**Ebm Db**  
 And when the light starts getting dim  
**Ab Bbm Ebm**  
 I'll open windows up and let it in  
**Db Ab**  
 Sometimes it feels like it's 'bout to end  
**Bbm**  
 Before it's all about to begin

[Outro]

N.C.  
 (Ooooh) I wake up in a bad mood  
 (Ooooh) I wake up in a bad mood

## Acordes
