

# Miley Cyrus - Barefoot Cinderela

Tom: Gb

OHHH? YEAH,  
 yeah,  
 yeah?  
 yeahhh?  
 every morning  
 i wake up to find  
 i always dream the same.  
 every night i come to my window  
 when you call my name  
 but the way the words  
 you say just fall like rain  
 till i'm drowning in the sound of your invitation  
 when you ask ?do you wanna dance, my barefoot cinderella  
 don?t need no slippers or a party dress,  
 the way you're lookin? right  
 now is what i like the best"  
 and then you?  
 say ?do you wanna take a chance?  
 stay with me forever  
 no one will ever be more beautiful  
 my barefoot, my barefoot cinderella."  
 yeah, ohh?  
 a dream world is always perfect  
 but thats not my real life  
 wish you did but you don?t know  
 the me i am inside  
 i pray that you'll come lookin? and i won?t hide (won?t hide)  
 I'll be smiling when you find me  
 coz i've been waiting  
 for you to ask ?do you wanna dance, my barefoot cinderella  
 don?t need no slippers or a party dress,

the way you're lookin? right  
 now is what i like the best"  
 and then you?  
 say ?do you wanna take a chance?  
 stay with me forever  
 no one will ever be more beautiful  
 my barefoot, my barefoot cinderella."  
 yeah, ohh?  
 when i close my eyes it starts, yeah,  
 like a movie for my heart,  
 here comes my favorite part.  
 yeaahhhh? ohhhh?  
 (Played quietly and one strum per chord)  
 when you ask ?do you wanna dance, my barefoot cinderella"  
 don?t need no slippers or a party dress,  
 you're what i like the best  
 and then you?  
 say ?do you wanna take a chance?  
 stay with me forever  
 no one will ever be more beautiful,  
 .. cinderella..  
 (last line overlaps with chorus)  
 when you ask ?do you wanna dance, my barefoot cinderella  
 don?t need no slippers or a party dress,  
 the way you're lookin? right  
 now is what i like the best"  
 and then you?  
 say ?do you wanna take a chance?  
 stay with me forever  
 no one will ever be more beautiful  
 my barefoot, my barefoot cinderella."

## Acordes
