

# Miley Cyrus - Bigger Than Us

Tom: D

I see your face I look in your eyes  
 What you feel is no surprise  
 Everyone needs somethin to believe in  
 Tell me your dreams Ill tell you mine  
 In our hearts well look inside and see all the colors of the rainbow  
 I know  
 We all wanna believe in love  
 We love wanna believe in somethin  
 Bigger than just us  
 We all wanna be a part of the greater picture  
 Singin in our hearts (our hearts)  
 Yeah its bigger than us  
 I wanna see beyond my own little world  
 Grab your hand so we can twirl around the galaxy (galaxy)  
 See the world with clarity oh oh  
 Oh oh we have such a long way to go  
 But I know were getting closer everyday Everyday!!

We all wanna believe in love  
 We love wanna believe in somethin  
 Bigger than just us  
 We all wanna be a part of the greater picture  
 Singin in our hearts (our hearts)  
 Yeah its bigger than us  
 It fills the universe  
 Lights the skies above  
 And rescues all our hearts  
 With love l.o.v.e. love  
 With love l.o.v.e. love  
 That's whats bigger than us  
 Bigger than us Common!!  
 It's love It's love thats bigger than us Common!!  
 It's love It's love thats bigger than us Wooh!!  
 It's love It's love It's love It's love It's love It's love  
 We all wanna believe in somethin  
 Bigger than just us
