

Miley Cyrus - Clear

Tom: C
Intro: F-C

It's 6 am and I'm wide awake
Cuz I can't stop thinking bout the stuff you were sayin
Me and I, I can't let it slide
The papers not here yet

The suns not up
But I'm not afraid to tell you what I feel inside
I had one of those dreams that made it all so

CHORUS:
Clear to me now
I got a whole new perspective
It's so clear to me now
You can't treat me that way
It appears to me how you tried to make me think
It was me who was being the fake

So clear

Why did I smile when I hurt inside
Said I was okay when I knew it's a lie
I wanted to believe in you
You took your chances
And one was me
So I'll just forgive you
And set you free
I'm on my way
Yeah I'm steppin out of the haze
And it's so

CHORUS

I wanna put the past behind
Try and maybe I can find better days
Clear to me now
I got a whole new perspective
It's so clear to me now
You can't treat me that way
It's so

CHORUS

F-C-Dm-Am
F-C-Dm-Am

Suns going down on a Saturday
And I feel alright
I feel okay
