tom:

Intro: G D G D
D G D

A For twenty-seven years I've been trying Bm
To believe and confide in G
Different people I've found D
A Some of them got closer than others Bm
Some wouldn't even bother G
And then you came around D
A I didn't really know what to call you Bm
You didn't know me at all G
But I was happy to explain D
A I never really knew how to move you Bm
So I tried to intrude through G
The little holes in your veins D
And I saw you A G
But that's not an invitation, that's all I get D A G
If this is communication, I disconnect D A G
I've seen you, I know you but I don't know how to connect Em A G A
So I disconnect D G A D)
A You always seem to know where to find me Bm

And I'm still here behind you G
In the corner of your eye D

Through the hole in the sky D
Where I see you A G
And that's not an invitation, that's all I get D A G
If this is communication, I disconnect D A G
I've seen you, I know you but I don't know how to connect Em A G D
