

Miley Cyrus - Communication

tom:

Intro: G D G D

A For twenty-seven years I've been trying
 To believe and confide in
 Different people I've found
 A Some of them got closer than others
 Some wouldn't even bother
 And then you came around
 A I didn't really know what to call you
 You didn't know me at all
 But I was happy to explain
 A I never really knew how to move you
 So I tried to intrude through
 The little holes in your veins
 And I saw you
 But that's not an invitation, that's all I get
 If this is communication, I disconnect
 I've seen you, I know you but I don't know how to connect
 Em So I disconnect
 (D G A D)
 A You always seem to know where to find me

And I'm still here behind you
 In the corner of your eye
 A I'll never really learn how to love you
 But I know that I love you
 Through the hole in the sky
 Where I see you
 And that's not an invitation, that's all I get
 If this is communication, I disconnect
 I've seen you, I know you but I don't know how to connect
 Em So I disconnect
 (Bm Dbm7 Dbm A)
 E B Dbm7 Dbm
 Ah ah
 (Bm A)
 Well this is an invitation, its not a threat
 If you want communication, I disconnect
 I'm talking and talking but I don't know how to connect
 And I hold a record for being patient
 A With your kind of hesitation
 A I need you, you want me but I don't know how to connect
 Gbm So I disconnect
 Dbm B E A
 I disconnect
