

# Miley Cyrus - Fu

Tom: Eb

(com acordes na forma de C )  
Capostrate na 3ª casa

Oh you broke my heart  
I told you I was weak for love  
But then you went around  
And did what you wanted to do  
And now I'm crying, cryi---ng

[Verse I]

Ooh it seemed like everything was going fine  
I found love that I thought was gonna last  
Then I accidentally saw a few things in your cell  
I even LOL'd man I should've known  
Why why you're doing what you do  
You you might as well just tell the honest truth  
See I'm not really down with this

This ain't no texting shit  
No I ain't got no biz, but it is what it is

[Pre-Chorus]

I don't really have much to say  
I was over it the second that I saw her name

[Chorus]

I got two, ooh ooh letters for you  
One of them is F and the other one is U  
Cause what you gotta do, is go get yourself a clue  
Only two, ooh ooh letters to choose  
One of them's F and the other one's U, SMH I'll press the send  
on you  
Could've been this, could've been that  
Would've been that, would've been that  
You ain't with it, could've said that  
Why you tripping, let me hear that  
I ain't trying to argue no more  
I do it all for you, you know you're my right eye

Baby let me show you

[Verse II]

Oh I know what's been going on  
Dont even try to act like Mr. Super Nonchalant  
What makes you think I'll stick around  
I'm not as stupid as you sound  
And you sound really dumb right now  
From A to Zed ooh  
I got a lot of nasty things blowing up in my head  
But none of them are worth my time  
You ain't even worth this rhyme  
And I don't, I don't give a f

[Pre-Chorus]

I don't really have much to say  
I was over it the second that I saw her name

[Chorus]

I got two, ooh ooh letters for you  
One of them is F and the other one is U  
Cause what you gotta do, is go get yourself a clue  
Only two, ooh ooh letters to choose  
One of them's F and the other one's U, SMH I'll press the send  
on you  
Ooh ooh two letters for you  
What you trippin on?  
Girl you know you are  
Don't let these girls drive you crazy  
I don't really have much to say  
I was over it the second that I saw her name  
I got two, ooh ooh letters for you  
One of them is F and the other one is U  
Cause what you gotta do, is go get yourself a clue  
Only two, ooh ooh letters to choose  
One of them's F and the other one's U, SMH I'll press the send  
on you
