

# Miley Cyrus - Full Circle

Tom: F

**Bb**  
I've been in a rut  
Back and fourth enough  
Heart like the wheel **F**  
**Gm**  
Without you around  
So uncomfortable is how it feels **Eb**  
**Bb**  
Every time you're near  
Trouble disappears **F**  
Under the ground  
**Gm**  
But when you go to far **Eb**  
Silver clouds will start hanging around

**Eb D C Bb A G**

CHORUS

**F**  
And I know why  
**Eb Bb**  
Try to run  
**F**  
But I keep on  
Coming back  
Full circle **Eb**  
And I cant jump the track  
**F**  
Can't let you go....  
**Eb Bb**  
Tried to once  
**F**  
But I keep on  
Coming back  
Full circle **Gb Ab Bb**  
Cause I know you'll come around, you'll come around

VERSE 2

**Bb**  
Skippin' down a broken path  
How long can I last **F**  
Please let me know  
**Gm**  
Where's the finish line  
Cause I got to find **Eb**  
Somewhere to go  
**Bb**  
I don't want to hear  
People interfere **F**  
What do they know  
**Gm**  
What I feel inside  
When I'm up all night  
**Eb**  
Needing you oh....

**Eb D C Bb A G**

CHORUS

**F**  
I don't know why  
**Eb Bb**  
Try to run  
**F**  
But I keep on  
Coming back  
Full circle **Eb**  
And I can't jump the track  
**F**  
Can't let you go....  
**Eb Bb**  
Tried to once  
**F**  
But I keep on  
Coming back  
Full circle **Gb Ab Bb**  
Cause I know you'll come around, you'll come around  
**Gb Ab Bb**  
Cause I know you'll come around, you'll come around

BRIDGE

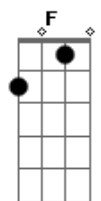

**Gb**  
I'll keep on running  
**Ab Bb**  
'Til we meet in the middle  
**Gb**  
I'll push it right aside  
**Ab Bb**  
And I'll give just a little  
**Gb**  
There's miles to go  
**Ab**  
But wait don't hold back  
**Bb**  
We'll make it

**Eb D C Bb A G**

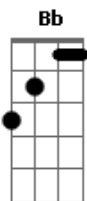

CHORUS

**F**  
And I know why  
**Eb Bb**  
Try to run  
**F**  
But I keep on  
Coming back  
Full circle **Eb**  
And I cant jump the track  
**F**  
Can't let you go...  
**Eb Bb**  
Tried to once  
**F**  
But I keep on  
Coming back  
Full circle **Gb Ab Bb**  
Cause I know you'll come around, you'll come around  
**Gb Ab Bb**  
Cause I know you'll come around, you'll come around  
**Gb Ab Bb**  
Cause I know you'll come around, you'll come around
